

Colusa County Farm Bureau Continuing Education Scholarship

Thank you for applying to the Colusa County Farm Bureau Continuing Education Scholarship.
The criteria for the **onetime non-renewable** \$1000 scholarship are as follows:

1. Open to graduates from any of the county's five high schools;
2. The recipient must have a 2.5 or better GPA in the last two semesters of college or (if only one semester of college has been completed) previous semester of college and senior year of high school. Student must provide college and if required, high school transcripts;
3. To receive this scholarship, the student must have completed at least one semester at a four-year university or community college in the broad field of agriculture. The student must be enrolled on a full-time basis carrying at least 12 units. Student must provide college transcript.

To ensure we have the information that is needed for evaluation, please complete this application and submit it to the Colusa County Farm Bureau.
